CLOTHING, JEWELLERY AND FOOTWEAR POLICY

Parents Pack

CLOTHING –

Here at Humpty Dumpty Pre-school we ask that you make sure your child wears appropriate clothing to the nursery:

- No expensive or favourite clothes as we have lots of messy play activities and they may get ruined. We will not take responsibility for any clothing etc getting damaged
- No Jumpsuits – these are very hard for the children to get on and off when they want to go to the toilet and especially if the children are potty training, we like them to be independent.

SHOES –

Here at Humpty Dumpty Pre-school we ask that you make sure your child wears appropriate shoes/trainers to the nursery:

- No flip flops/sandals without backs or straps, these are very dangerous when the children are running around with their friends
- No shoes with heels, these are dangerous and can hurt other children in the nursery, especially if a child is laying on the floor and accidentally gets stepped on.
- No wellingtons or jelly shoes in the nursery, these can be slippery on our hall floor.

Flat shoes, trainers, sandals with straps are all ok.

JEWELLERY –

Here at Humpty Dumpty Pre-school we ask that you make sure your child does not wear the following jewellery:

- No chains
- No dangly earrings

We will not take responsibility of any lost or broken jewellery that is being worn by the child in the Pre-school.
