NATASHA'S LAW

Natasha's Law came into effect on 1st October 2021 and applies to food businesses that produces PPDS Food, primary and secondary schools, colleges and universities and nurseries that provide food. Under new legislation, any pre-packaged food must be labelled with the food's name and any ingredients list that emphasizes the 14 allergens.

Any loose food such as fruit time snack etc, available for the children during the morning and afternoon session, doesn't require a label but needs to meet the current allergen information requirements for non-prepacked food.

We keep all of the Fruit time allergy information in a folder which is available to view upon request.

Birthday/Celebration sweets

We appreciate that there may be some special times throughout the year when children may wish to bring sweets or chocolate in to share with their friends (e.g birthdays), please can we ask that children only bring in prepacked sweets such as haribos which can then be handed out at the end of the day to the parents. Please understand that we cannot accept any homemade or individual sweets as this will not comply with Natasha's Law or current allergen requirements.
